. Likewise also was not Rahab the harlot justified by works, when she had received the messengers, and had sent them out another way? Within a Party the principle that the minority should submit to the majority and the lower Party organization to the higher one should be observed. Lenin considered that a certain freedom of trade would give the peasant an economic incentive, induce him to produce more and would lead to a rapid improvement of agriculture; that, on this basis, the state-owned industries would be restored and private capital displaced; that strength and resources having been accumulated, a powerful industry could be created as the economic foundation of Socialism, and that then a determined offensive could be undertaken to destroy the remnants of capitalism in the country.
