1970s

Not the point of this post, but thanks for the link.

Film History of the 1970s

Also, I don't directly attribute it to Bryson. Now, with the attention on climate change and not on specific rivers, or landfills or air sheds, the targets are amorphous, the cause and effect not so clear. Indeed a broad survey conducted by the Institute for the Study of American Religion reports that some 375 ethnic or multiethnic religious groups have already formed in the United States in the last three decades.

The Jesus Movement of the 70s

The mid-1970s saw the rise of musicians such as , , and , who with Brian Eno were a significant influence of the development of.

List of Christian preachers

The whole 'pause' meme was based on a bait-and-switch; the earth is not the atmosphere. ECS to a CO2 doubling remains unknown.

7 Events in the 1970s Which Led to the American of

Time had a piece called in 1974. Japan launched a satellite for the first time in 1972.

Reaction & Rebellion (1960s & 1970's)

. In 1992, clergy prayers were abolished at high school graduations although student prayers are allowed.
