Pedro the Cruel of Castile

Because of this, this second type of councillor, usually of the nobility, was only allowed to attend the council of Castile as an observer. One year later, with the fall of , the western part of the Muslim kingdom had fallen into Spanish hands.

Peter I of Castile

Soon Pedro was imagining that every man was against him. According to chancellor and chronicler , he had a pale complexion, blue eyes and very light blonde hair; he was 1. The result of the battle was very uncertain; Ferdinand defeated the enemy's right wing led by Afonso, but the Prince had the same advantage over the Castilians.

Pedro the Cruel

Going against his promises made in September, Henry tried to make the marriage a reality. It was during this period that he perpetrated the series of murders which made him odious.

Pedigree: Pedro (III) `the Cruel' (King) of CASTILE

Historical Dictionary of Portugal 3rd ed.

1350

The museum next to the Capilla Real holds her and.

Pedro the Cruel

Real Academia de Bellas Artes y Ciencias Históricas de Toledo, Toledo. After a struggle to claim her right to the throne, she reorganized the governmental system, brought the crime rate to the lowest it had been in years, and unburdened the kingdom of the enormous debt her brother had left behind.
