### “Hymn Meditation on HOLY MANNA and ‘God, Who Stretched the Spangled Heavens’” by Pam McAllister and Deanna Witkowski

One of the first issues we have to consider is that the Bible is thousands of years old, and the accounts it contains have come to us through many oral tellings, re-copyings, printings, and translations. The scientists told him he was out of his mind, but they got out the Book and read these words in 2 Kings that told of the following story: Hezekiah, on his deathbed, was visited by the prophet Isaiah who told him that he was not going to die. But I also admit that may be on me.

### The Days of Creation: When Did God Begin to Create the Universe?

Are there trillions of life forms that wake up in eternal torment because they didn't realise they had to follow a religion from another planet? High spirits told the law are the commonly known existence as God in the traditional religions, but they are the highest existence who are guiding the earth for a long time. It has been seven days since he was born, we say, so he is one week old. I'd imagine that it would change our views of creation, , but I'm not sure if it would really change our theological views.

### The Space Age Mod

As the Christian employee thought about it, he remembered somewhere in the Bible where it said the sun went BACKWARDS.
