Chicago's number 1 guide for travel and exploration

The Eggxorcist came to me one day, and I was laughing to myself about the egg guy as the silhouette looking up at the window. MID - Deck width: 7. Definitely come along and give it a go if you want something different to get your kids outdoors and learning a new skill.

Design a Custom Skateboard or Custom Longboard

The hanger holds the axle on which the wheels are mounted.

Skateboarding

I really wanted to look out the window and see everything that we were driving by. We would go out for a few weeks at a time sometimes.

Braille Skateboarding

Getting sponsored was such a huge help in my skateboarding progression as I was skating so much and wearing out boards very quickly. . It was so cool getting a bunch of shop shirts and gear as well as discounts on decks and sometimes getting decks for free! I recall coming home from school one day and found a note on the kitchen counter.
