Christianity in West Africa

Christianity and Islam also coexist with each other. Copyright by the Christian Century Foundation and used by permission. The Bible taught them that they were children of the Most High God, citizens of His heavenly kingdom, and that they had inherent value as humans.

African Religion Customs Before Christianity

And in every country surveyed that has a substantial Muslim population, roughly 30% or more of Muslims expect to personally witness the re-establishment of the caliphate, the golden age of Islamic rule that followed the death of Muhammad.

South Africa's Christian Heritage

There are few significant gaps, however, in the degree of support among Christians and Muslims for democracy. Does one pray for them expecting some effect? Biblical evidence concerning relations with the dead is scant, and the issue certainly has not been of major interest among Western theologians. They were strongest in Numidia and Sitifensis, and the antischismatics predominated in the proconsular province of Africa; the position in the Mauretania was more even, but Christianity did not spread rapidly there until the 5th century.

African apologetics event is Christianity faith for Africa

Also, each farm serves 75 families that have been displaced and most of whom have lost family members to these attacks. Sizable percentages of both Christians and Muslims — a quarter or more in many countries — say they believe in the protective power of juju charms or amulets.

North Africa

Augustine of Hippo, a city in present-day Tunisia. Churches in these areas maintained close ties to eastern Christendom and made many important contributions.
