## Boekbespreking A. Schuurman en P. Spierenburg (red.). Private domain,... (1998)

The knowledge of humanity and nature, history and society, the knowledge that enlightens ethical and political choices and allows us to take our fate in our own hands, is not an illusion or failure of the past, but a goal for the future. Comment: Just as proposal I derives from a world view radically different from the one inspiring proposal II, in the same way, the basis of III and IV strongly differs from the foundation of V.
