Some bibliographies are not going to be represented correctly or fully up to date. By being so broad, you miss aspects of bullying that from my point of view and experience are essential : such as the intention to make the other feel bad, the sadistic inclination, the pleasure of humiliation, the tactics, the importance of recurrence, the servitude; the internalization of shame. He would have wanted the older and wiser leaders to model the best leadership qualities and to coach and mentor the leaders of the future.

Again because of an unfinished new home, my books are not yet unpacked, and I cannot quote from it.

Description: Savonarola's women

Let him love God with all his heart, so as to transform himself into Him, who through singular love wonderfully transformed Himself into Man. Throughout his life he was content with simple clothes and possessions. In little more than half a century, an unprecedented burst of creativity transformed Florence, nurtured the talents of Michelangelo and Leonardo da Vinci, and kindled the magnificent era we call the Renaissance.
