## Glamping with MaryJane

Cast-iron construction heats slowly and evenly. In 2001, Butters launched the self-titled magazine, providing all her own writing and photography. MaryJane Butters publishes MaryJanesFarm magazine from her organic farm in Idaho and manages several product lines.

## MaryJane's Outpost book by MaryJane Butters

. In 1972, Butters took a job in a mountaintop lookout tower in , as a Clearwater-Potlatch Timber Protective Association fire watcher. The majority of our cartridge games do not include instructions or a case.

## Great Find: Welcome to our Farmhouse, Life is Good ... SOLD

Her farm and business were famously immortalized in a large spread in the December 1995 issue of. It's also about finding out more about the land around you, what foods are hidden in plain sight. This book is a wonderful exploration of life outdoors, of women's strength found in adventure, and of simple self-sufficiency.

## August

Drawing from her own diverse background, she'll show you exactly HOW to get outdoors-and what to do once you're there. More cities may be on tap down the road. The 1905 farmhouse burned down in a 1996 fire, forcing Butters and her children to move into an outbuilding until they could afford to rebuild.

## August

This lady who raises bees, cows and chickens illustrates and writes about building your own willow table, a canopy for an outdoor bed, an outpost bathtub, how to make liquid soap from castaway pieces of hand soap by adding water and putting the whole deal into a blender. No matter what your age, MaryJane Butters walks you to the door and OUT you go. She said she is especially excited to be able to feature more of her Project F.

## August

She then founded and became director of the , taking on broader issues like water quality and transportation. After that tiny misstep, Pallot did a masterful job chronicling the life of a man who arguably is the finest fly fisherman in the world.
