Is your culture built on trust?

I discovered in this that it is better to communicate all things openly. For example, sometimes something is being considered at a higher level that is not yet ready for discussion at a lower level of an organization. Fortunately, by looking at data from the 360 assessments of 87,000 leaders, we were able to identify three key clusters of items that are often the foundation for trust.

Empowering leadership: Building a culture of trust

Paul Walters 11:21 But let's talk more about how do managers then start to create a culture that inspires trust and transparency? Who wants to join a company with leaders that people don't trust? These 8 pillars are also building blocks of a positive, productive culture where people and performance thrive. It built resentment and frustration, not trust. Let me be clear: Creating a culture of trust does not mean that conflict will not happen.

Trust and Leadership

By learning to shape culture to meet changing needs--by learning to be continually responsive to the organization's vision as well as to the needs of a changing follower core--the leader can create the situation necessary for any successful organization, one where followers can trust others and feel free to work together to gain mutually desired goals.
