**Thatcher, Reagan, Mulroney: In Search of a New Bureaucracy.** By Donald J. Savoie. (Pittsburgh: University of Pittsburgh Press, 1994. x, 414 pp. Cloth, \$49.95, ISBN 0

Don't already have an Oxford Academic account? Savoie suggests that the reforms overlooked problems now urgently requiring attention and, at the same time, attempted to address non-existent problems. Savoie considers the war of reform waged by the leaders of these major industrial countries. In Great Britain, one observer judged that the changes were historically as important as the collapse of Keynesian economics.

## Thatcher, Reagan, Mulroney : in search of a new bureaucracy / Donald J. Savoie

He concludes that 'politicians are probably in greater need of courses in governance. He combines theory and research based on sixty-two interviews, nearly all with members of the executive branch of the governments of Britain, Canada and the United States. The stated purpose of this book is to examine how three world-class critics of big government, Margaret Thatcher of Great Britain, Ronald Reagan of the United States, and Brian Mulroney of Canada, 'sought to modernize their bureaucracies.
