Besides affording rare insights into the developing child's world of dreams, hopes and fears, they reflect a crucial period in the evolution of a family tradition; a time when, to counteract the brutalizing pressures of urbanization and industrialization, ordinary people turned to each other for support.

**Destiny Obscure: Autobiographies of Childhood, Education and Family From the 1820s to the 1920s by John Burnett**

Plenty and Want, a social history of diet, was followed by A History of the Cost of Living 1969 and, in 1986, A Social History of Housing 1815-1985. Perry acknowledges that there are different social levels within the working class.

**Marriage**

A wonderful treasure of first-hand accounts of childhood experiences in Victorian and Edwardian times. They borrowed from neighbours, they spread coats over themselves at night, poor children in general didn't wear shoes - even in winter.

Code

Her methodology relies on counting fathers in the various categories and using relative proportions to demonstrate the significance of breadwinner incompetence.

**Destiny Obscure: Autobiographies of Childhood, Education and Family From the 1820s to the 1920s**

Perhaps media concerns about the adverse impact of single-parent families, stepfamilies, and broken homes on childhood experiences are somewhat misplaced.

**Margaret Perry (b. 1922): An Introduction**

Modern school systems emphasize these ideals because the educational system focuses mainly on producing a nation of intelligent, competent people.
