Investment Climate Statements: Custom Report Excerpts

Angola has three main ethnic groups, each speaking a Bantu language: Ovimbundu 37%, Kimbundu 25%, and Bakongo 13%. As in the case of the ethnic violence in the Rift Valley in 1991-93 and on the coast in August 1997, there were credible charges of involvement by local politicians belonging to both KANU and the opposition in the January 1998 clashes. It would be another thing to make it an offence to manufacture or sell all alcoholic liquor.

African Enclosures: A Default Mode of Development

Cases against individual members of the police have succeeded. . In assigning Ministers to Departments the Prime Minister must have regard to certain well-established conventions.

Refworld

SOUTHERN AFRICA, International African Bibliography

An appeal of the Registrar's final decision may be brought before the High Court. Mexico is not a member of the Convention on the Settlement of Investment Disputes between States and Nationals of other States ICSID Convention, even though many of the investment agreements signed by Mexico include ICSID arbitration as a dispute settlement option. The law went beyond the minimum requirements of the relevant EU directives and represents a comprehensive overhaul of all existing investment-related regulations in Germany with the aim of creating a system of rules to

protect investors while also maintaining systemic financial stability.

4/32 Report of the Special Rapporteur on the situation of human rights and fundamental freedoms of indigenous people, Rodolfo Stavenhagen / RightDocs

The new head of the Civil Service said he had the full backing of the President.
