Strategic business marketing developments in the New Europe: Retrospect and prospect

Roughly ten years ago the Industrial Marketing Management journal published a study on the expected consequences of the European Union EU single market. You may also be required to provide additional information such as delivery terms as specified in your contractual arrangement e. There is no difference between customers anywhere in the EU While you are free to define your general terms and conditions of sale, including limitations on delivery, all your customers based in the EU must have the same access to goods as your local customers.

Strategic business marketing developments in the New Europe: Retrospect and prospect

In the current study, we investigate the actual results of the single market formation on industrial marketing in the EU and compare them to the expectations noted by industrial marketers a decade earlier. Sales of products without delivery If you offer a collection service you must ensure

that customers based in EU countries where you don't offer a delivery service have the right to order products from your website, and arrange their own delivery or pick up. You can read more about this on the topic.
