St. Paul night services speak to those who feel exiled from church tradition

He says that the whole summation of the entire epistle can be found in these verses. THE STAR A great, radiant star of eight rays, surrounded by seven lesser stars—also of eight rays. It replaces, by recourse to first principles, the old card of marriage, which I have described previously, and the later follies which depicted man between vice and virtue.

The true Tarot is symbolism; it speaks no other language and offers no other signs. It illuminates our animal nature, types of which are represented below—the dog, the wolf and that which comes up out of the deeps, the nameless and hideous tendency which is lower than the savage beast.

The altar hour; fifty

They differ in many important respects from the conventional archaisms of the past and from the wretched products of colportage which now reach us from Italy, and it remains for me to justify their variations so far as the symbolism is concerned.
