Persons

The multinational corporation and international transfers of technology are subject to no international understandings, despite their tremendous importance. Secretary Kissinger: They would be penalized for having held dollars.

Abbreviations

ALEXANDER: And we all spend our time trying to assess it. He was driving his committee to the brink; he drove at least seven members to vote against him. Such acquiescence makes sense from both the U.

Commission on Foreign Economic Policy

Particular attention is paid to the structure, operation, and problems of the new National Security Council NSC system created by the Nixon administration during its first year, as well as to attempts to revamp the operations and management of the U.

Commission on Foreign Economic Policy

It would appeal to the Japanese and others. .
