## Goodnight Owl

Have you ever gone crazy hearing a noise in your house while trying to fall asleep? There were pictures of Pizzoli's other books on the book jacket, and now my son wants to check them all out at the library.

### Good Night Owl by Greg Pizzoli, Hardcover

Is the mouse toying with Owl? With a bear it's kind of Mutt and Jeff, but here the owl who is somehow not out hunting at night would snatch that mouse in a second for a meal. Why must we have another stupid book about an uninvited mouse coming to visit? The ending and how Owl addresses the noisemaker. A perfect read aloud for slightly older tots, maybe four-yr-olds? By rights he should be dinner and not sleeping at the foot of the bed! Owl screeched, screech screech, and woke everyone up.

### Good Night, Owl!

The durable carabiner comes in three colors.

### Good

This is a simple story and takes place in a single tree, where poor Owl is trying to sleep. Bought two others as a gift. .

### Good Night Owl by Greg Pizzoli, Hardcover

From the creator of The Watermelon Seed comes another pitch-perfect tale that's empowering, engaging, and entertaining. I was more distracted by the fact that the owl is going to sleep at night. In an effort to locate the source of the noise, he clears the shelves of knickknacks and vinyl albums he looks to be a fan of the Clash and Ramones , pries up the floorboards, and tears the roof off the house.

### Good Night Owl by Greg Pizzoli, Hardcover

My son begged me to get this book. I knew it wouldn't be in pristine condition, but I didn't realize it would be in such poor condition - definitely

not good. As the noise continues, the actions he takes become drastically bigger and sillier.

### **Shop**

Not only did the mouse cause all the trouble, but he's a mouse! We started reading it when she was 15 months old. He's ready for bed, but as soon as he settles in, he hears a strange noise. .

### **Good**

The illustrations are pretty great, too. Join in the joys of learning how to read with The Book Hog. Tonight I got the chance to read it with him, and he was laughing his head off all over again.
