**Han'guk chibang chaejŏngsa / Cho Kyŏng**

The antlers on the crowns are similar to those seen on shaman crowns.

**이 선희 1911**

Moon copied the Enthronement Hall of the Korean emperor.

**Han'guk chibang chaejŏngsa / Cho Kyŏng**

The ceremony consisted of Rev. It has also been said elsewhere that he wanted to say more on the subject in his later hoondokhaes, but that True Mother vetoed their publication. I had sleepless nights, as my imagination ran wild.

**이 선희 1911**

The marriage lasted less than a year. In the name of all that is holy, what Biblical precedent did this ceremony relate to? He joined the Bruneian club for the 2007 season, but only stayed a year before returning to Singapore as a player-coach for the. Sometimes, she adds, he would assemble them all in a circle and take turns mounting them.

**Yi Sŏn**

Any understanding of the so-called New Religions of Korea would be difficult without some knowledge of shamanistic influences upon them. I heard him a hundred times.

**Yi Sŏn**

I apologise for the error, if that is the case.

**Yi Sŏn**

Sudo were no longer sufficient. It signifies how the Religion Leader Moon was victorious in defeating hundreds of millions of Satans and rescued mankind, returning them to God. Even now, it gives me no joy to write about the subject.

**Soni nŭn wae Samsŏng chŏnja wa son ŭl chabanna / Kim Kyŏng**
