## CONCERNING INNER LIFE By Evelyn Underhill

This presentation was first given at the Underhill Quiet Day in June 2018. A few professionals have belatedly drifted onto the scene and made a few inroads, but they have been well behind the small group of hard-working ABDLs themselves who have sought to build a body of understanding on who we are. But the whole process remains in that approach essentially esoteric, philosophical and psychological, largely private and inward, otherworldly and universal rather than explicitly Christian.

Allchin, Anglican priest and canon at Canterbury Cathedral, now lives in Wales. You were created in God's image and prayer of the heart will help heal your relationship with him. Not a thing, not a concept or a feeling, but an identity.

Together, the pieces illuminate the author's move from Platonism to the incarnational spirituality lived out during the years between the world wars. Underhill's reflections are the only known sustained records of her private life, her doubts and failings, obstacles to growth, and her gradual awakening to God's grace and presence. Very minimal damage to the cover including scuff marks, but no holes or tears.
