### Women's suffrage

Traditionally, since the 19th century, that sought political and legal equality through within a framework was contrasted with -based women's movements that over time developed into and based on theory. Women's suffrage was included by the Government in the Constitution of 1936, but because of the war, the reform could not be enacted until after the war and was finally introduced in 1947. First-wavers also fought for the abolition of slavery—after all, both women and slaves were fighting against white male dominance—and some famous first-wave feminists were women of color—like Maria Stewart, Frances Harper, and Sojourner Truth.

### Success Essays

The seed for the first Woman's Rights Convention in the United States was planted in 1840, when met at the in London. Changes in female dress standards and acceptable physical activities for females have often been part of feminist movements. Finland also elected the world's first female members of parliament.

You Daughters of Freedom: The Australians Who Won the Vote and Inspired the World. Over the course of the 1970s, a large number of influential women accepted lesbian and as part of feminism.

### List of Amc

In the final three decades of the 20th century, Western women knew a new freedom through birth control, which enabled women to plan their adult lives, often making way for both career and family.

### Achiever Essays

As Kraditor shows, it was often assumed that women voters would have a civilizing effect on politics, opposing domestic violence, liquor, and

emphasizing cleanliness and community.

### **Women's suffrage**

The first election for the Parliament of the newly formed Commonwealth of Australia in 1901 was based on the electoral provisions of the six pre-existing colonies, so that women who had the vote and the right to stand for Parliament at state level had the same rights for the 1901 Australian Federal election. But the vote was much more than simply a reward for war work; the point was that women's participation in the war helped to dispel the fears that surrounded women's entry into the public arena.
