## Estate Planning Lawyers Southeastern Massachusetts & Cape Cod

Because of the potential conflicts associated with blended families, step siblings, and multiple marriages, creating an estate plan through mediation allows people to confront the issues head-on and design a plan that will minimize the chance of future family conflict and meet their financial goals. The state law rules surrounding formation are more elaborate with respect to S corporations as compared to LLCs.

### Estate tax

New legislative amendments also could potentially change aspects of your estate planning. And of course, an individual may wish to make charitable contributions to a variety of causes.
