### Who Are the Mayflower Descendants?

His sons, Robert, Gilbert, Turgis, and Ruallo were living in 1130. From these records we learn the names of four additional sons who died at a young age, Brune, Edward, Henry and Nicholas. His wife is unknown, but his sons by her were William, second of that name, Richard, Robert, and Hugh Avenel.

### A Crocker Genealogy

If Juliana had died before Warin, Bampton would have immediately passed to her eldest son by her first husband William Paynel. During the voyage, Elizabeth gave birth to a son, the appropriately named Oceanus. A member of the tribe, Petonowowett, later said Mr.

### Who Are the Mayflower Descendants?

He married about 965 in Tillières , to Helleo de Beaulac de Tillières c940-966 daughter of count Godfrey de Beaulac de Tillières and Mathilda de Luxembourg.

### My GREEN(E) Genealogy ~ England to America: Rhode Island, western North Carolina and Beyond
