List of 18th

One such group was The Cornermen, whose members would supposedly wait on a street corner for a victim to pass by before they pounced. In the video below, Ben has taken data for all three nations' vessels between 1750 and 1850 and compressed them into one twelve month span to show seasonal patterns. Chris Whiley, Geocities Includes a short biography and a shorter bibliography of primary sources, along with links to many bits of Boswelliana on the Net.

Empire and Identity in the American Colonies

I now have an up-to-date and nearly comprehensive list of available on the Internet.

A timeline of 18th

Between 1735 and 1749, the gang established a smuggling network that stretched from the Thames estuary to Dorset, and protected its interests through intimidation, violence and, on occasion, murder. Make sure that you view the map in its largest format — In Internet Explorer use the Zoom Level on the bottom right of the browser frame.

Empire and Identity in the American Colonies

Johann Wolfgang von Goethe: Jane K.
