## Play Online Craps for Real Money at [me.stfw.info.cdn.cloudflare.net](http://me.stfw.info.cdn.cloudflare.net)

If the number s you bet on land before a 7, you win. Once you learn this part by heart, you can move on to the betting options. Look for a sloppy dealer in for a chance to get ahead.

## Ultimate Winning Craps Strategy

After pass bets, players should employ a betting strategy called laying the odds.

## The Gaming Pro

The story behind why Craps has its name is quite an amusing one. For example, there are exactly six ways to roll a seven: 4 and 3 It may seem like some number combinations are listed twice, but this is only the different numbers appearing on the other die. These must be placed before the come out roll and pay even money when won.
