Digital Communication, Digital Media and Cultural Policy

Paranormal investigators Ed and Lorrain Warren are as is full of brain specimens collected by Dr.

16.1 New Media Technologies

Bossis is a co-principal investigator for the N. Today, DIY—do-it-yourself—describes more than self-taught carpentry.

Reading and Writing the News in the Fifth Estate

Jones as well as subsequently assisting Destroy the Joint to create an online public discourse about the treatment of women in Australia. The campaign was wildly successful in the short-term. Anyone can events happening and send it anywhere they wish, or put it on their website.

Books

Weird how cutting edge comments at the time now sound like dads trying desperately to be hip. Shirky 2011 As a closing thought- If collaboration between social media users and governments becomes more widely accepted in the future it has the potential to trigger a crowd sourced, wiki style of self- governance.
