In this article the intention is to pursue one of the historical moments in the development that allowed for the emergence of human rights: the controversy that took place in sixteenth-century Spain concerning the status of the indigenous peoples of America. The latter led to the abolition of the , private grants of groups of Native Americans to individual Spaniards as well as to Native American nobility. This historical episode presents the conflict between the confessional state and an egalitarian tradition of thinking which confers on the human being an inherent dignity and on human society a necessary demand for justice.

Description: Indian idea of freedom

Very minimal writing or notations in margins not affecting the text. Title with large woodcut printer s device, large woodcut historiated initials and headpieces, woodcut and typographical tailpieces, the letters F and O stamped on each side of printer s device on title with the date 1636 below, underlinings and annotation in red pencil. With indigenous labor in field and mine he became comfortably well off.

Franklin, Benjamin, The Autobiography and Other Writings ed. This 1697 first French edition of The Discovery of the West Indies was among the first books printed to expose the torture and oppression to Caribbean peoples. The Lucayan Islands on the North Side, adjacent to Hispaniola and Cuba, which are Sixty in number, or thereabout, together with those, vulgarly known by the name of the Gigantic Isles, and others, the most infertile whereof, exceeds the Royal Garden of Seville in fruitfulness, a most Healthful and pleasant Climate, is now laid waste and uninhabited; and whereas, when the Spaniards first arrived here, about Five Hundred Thousand Men dwelt in it, they are now cut off, some by slaughter, and others ravished away by Force and Violence, to work in the Mines of Hispaniola, which was destitute of Native Inhabitants: For a certain Vessel, sailing to this Isle, to the end, that the Harvest being over some good Christian, moved with Piety and Pity, undertook this dangerous Voyage, to convert Souls to Christianity the remaining gleanings might be gathered up, there were only found Eleven Persons, which I saw with my own Eyes.
