Oh Terrifying Mother: Sexuality, Violence and Worship of the Goddess Kali

This is a superb piece of anthropology about the goddess and her worshippers in South India today.

Oh Terrifying Mother: Sexuality, Violence and Worship of the Goddess Kali

Book has light wear to the edges and corners with light rubbing and smudging to the covers and text block, otherwise in great condition. Here she is not the playful nubile and loving mother of Ramprasad but a great destroyer of demons. Used items may not include supplementary materials such as CDs or access codes.

Oh terrifying mother : sexuality, violence, and worship of the goddess Kali / Sarah Caldwell

This is a feminist scholarly work and the scholarship is very high, although I feel that some of the forays into Freudian arguments are rather unconvincing and unnecessary.
