This book is a unique compendium and analysis of projects from all around the world that take an integrated biocultural approach to sustaining cultures and biodiversity. Global public awareness of the devastating impact of oil extraction on local communities has grown considerably in recent years, due in large part to Ken Saro-Wiwa's work on behalf of the Ogoni in south-eastern Nigeria and his death in 1995 at the hands of Nigeria's military dictatorship.

applies a range of theories that focus on current concerns in rural Africa. This volume sets the agenda for business ethics and corporate responsibility in the future.

### Indigenous Minorities And The Future Of Good Governance In Cameroon

It relates the turbulent history of Cameroon through a chronology, an introductory essay, a bibliography, and over 600 cross-referenced dictionary entries on significant persons, events, places, organizations, and other aspects of Cameroon history from the earliest times to the present. Although Cameroon has made economic progress since independence, it has not been able to change the dependent nature of its economy. This volume consists of eight case-studies, all of them examining these questions: What can indigenous people do when faced with the destruction of their natural and social habitats? This volume is aimed at the following five major target audiences: University and College Students, Educators, Professional Practitioners, Research Personnel and Policy Analysts, Managers, and Decision Makers, NGOs and GOs.

Published with Terralingua and IUCN Categories: Science Seeking good governance in participatory-GIS:a review of processes and. It relates the turbulent history of Cameroon through a chronology, an introductory essay, a bibliography, and over 600 cross-referenced dictionary entries on significant persons, events, places, organizations, and other aspects of Cameroon history from the earliest times to the present.

### Indigenous Minorities And The Future Of Good Governance In Cameroon

Many of such resources have yet not been adequately tapped and are either not visible or unrecognized. A critical assessment of some of these structures NGOs, religious organisations, trade unions, home-based associations and the youth and the legal and political context of the operation of civil society in Cameroon shows a popular effervescence that is visible in social development initiatives.
