### **Eurotunnel renamed Getlink in preparation for post**

Channel Tunnel A Channel Tunnel train departing from Folkestone, England.

### **Channel Tunnel**

It is listed on both the London Stock Exchange and Euronext Paris. You must check in at least 30 minutes and no more than two hours before your departure time. Not only is it the quickest option, it is also the most hassle-free way to travel, with no fuel supplements or luggage restrictions and offering flexible timetables.

### **Channel Tunnel**

An automatic fire dousing system has now been installed. Digging began on both sides of the in 1987—88 and was completed in 1991. You are free to relax in your vehicle or get out and stretch your legs.

### **Channel tunnel**

The French terminal is located just outside Calais, off Junction 42 of the A16 motorway; the Euro tunnel journey from London to Paris usually takes around six hours by car. Our shuttles will be running as usual, whatever form Brexit takes.
