CNN's Tailwind Tale by Jerry Lembcke

Lembcke has written an unusual and compelling study that blends media critique with explorations of folklore, popular culture, and apocalyptic metaphor.

Works Cited

And despite the numerous versions of this story that circulate, there is no evidence such as photographs of bathroom trash cans draped with uniforms to support the claims.

If you really believe that returning soldiers were spat upon, please show me just one photograph! John: Part 2 will be online for our Patreon supporters on 6th August, so you can support us and listen to it as well as other exclusive content at patreon.

CNN's Tailwind Tale on Apple Books

Maybe Lee has his bloods connecting with Searcy and redefining their mission—instead of searching for buried treasure, they search for buried landmines? I think this was maybe as early as 1966. There were several attempts on him but he managed to survive until the end of his tour. Soldiers sent to search and destroy, instead chose to search and avoid enemy combatants.

E10

John: Being part of a movement like that and being part of a community of resistance, how did that feel on a personal and emotional level? Between those three incidents, I got knocked down from an E-3 to E-1. I went to college at a small, Lutheran school in Sioux Falls, South Dakota.

Spike Lee's Da 5 Bloods: How Bad is It?

What was it that I got swept up in and that dragged me into this war? Reprisals did follow the fall of Saigon in May of 1975, but the boat people are also a testament to the kind of desperation created by carpet bombing and the defoliation of agricultural areas. I know there are not easy answers to that and, as I said, the question keeps getting asked of me what I think of that.

Baltimore Nonviolence Center: Home

Jerry: Not so much then.

NEHA ORPGRAM

Veteran veterans had become, by that time, pretty regular participants in anti-war activities, like marches and speaking at rallies. It was more like it moved from stateside to Vietnam. It was for reasons about being straight enough to be able to defend yourself.
