Garden ideas

Start by thinking about what you need from

your garden and how you can plan it to fit those elements in. This playful rooftop in Paris, for example, includes a couple of distinct seating areas, each with a different intended use. Accept that the end of the garden is less likely to get daily use.

## Sloping gardens: design ideas and landscaping tips

You must make a choice in the initial stage. Pick tall plants and tree. To create the spaces, a solid barrier isn't necessary — you don't want to cut off the garden completely and.
