## School counselor gives kids the tools they need to resolve conflicts without violence

Victoria is a mom of two beautiful girls and wife to a supportive husband living in sunny Florida! But the one thing you need to teach your teenagers is that a conflict need not be a negative experience.

## Teaching Children to Manage Conflict

Your article started with a pleasant sounding story about going to a restaurant with your family. Always the perpetrator should be held accountable More for the safety of the child. My first thought is that I wish I could say kindness because I really value that quality, but you know what? Wish you the very best! It's one of her qualities we are constantly praising her for! Many times, parents need a comprehensive behavioral program to manage this problem.

## Making Children, Families, and Communities Safer from Violence

As the parent, you have to teach kids problem-solving skills so that they have an alternative way of dealing with these situations and feelings. Do you know if there are any available services in your area to work with your granddaughter and family? If they do not deal positively with their problem, they will resort to verbal threats or attacks to describe their differences. My step son is allowed to do whatever he wants.

## How can we stop school shootings?

Because 4-year-olds are beginning to be able to see things from another child's point of view, Brett realizes that Tony won't have anything to play with if he takes the truck away.
