## Manual for School Evaluation

All Self-Study Committees will complete the relevant Indicator Checklist as part of their discussion on how to document compliance of the school with a given Standard. Details of the schedule should be worked out with the Visiting Committee Chair, but, ordinarily, the Committee will have lunches provided in their workroom at the school.

## Manual for School Evaluation

Educational connoisseurship and educational criticism: An arts-based approach to educational evaluation. School self-evaluation: Origins, definition, approaches, methods and implementation. Multiple perspectives on interaction: participants, peers, and observers.

## School Development Planning

Every School a Good School ESaGS Every School a Good School — A Policy for School Improvement emphasises that school improvement is first and foremost the responsibility of the school. The school, in consultation with the Commission staff, should select the dates for the visit well ahead of time to facilitate planning.

## Self

Financial All of the planning described herein will have financial ramifications and this information must be integrated into a financial plan. Committee Members will interview faculty, administration, parents, students, and Board Members.

## School Development Planning

The Chair and another member of the Committee will meet with the Head of School and one or two people on Wednesday afternoon to review major areas of comment in the report. Harvard Educational Review, 72 3 , 293—329.

## **Self**

Self-evaluation must be an integral part of the school development planning process with the resulting actions and targets captured in School Development Plans SDPs. Online survey forms such as SurveyMonkey may be used.

## **Self**

A twelve-year longitudinal study of science concept learning.

## **Manual for School Evaluation**

If a school approved for continued membership does not meet all the Standards, the school will be given one year to bring itself into compliance.  
School-based evaluation: An international perspective.
