## We have eemaan in the Preserved Tablet (Al

The pilgrim, if he can, kisses it, otherwise touches it with his hand. And the idea that created things came into creation and there is always something before it, they are contrary to this agreement of the scholars. His sole aim was to give a summary of the views of the Imam and to show indirectly that they were in conformity with the traditional views of the orthodox school.

## Beautiful Names of Allah: al

However, if he is not certain of having performed seven roundsas in the case when he doubts whether he is in his sixth or seventh round, or in his fifth or sixthin that case his tawaf is invalid and he should start afresh.

## Al

Thereafter, he approaches the Black Stone; if possible kisses it or caresses it with his hand or else just makes a gesture with his hand, and prays. But if returning were not feasible, he can offer them wherever he can.

## Tawaf

The niyyah, to which reference has already been made. Muslim requested her to give him some water, which she did.

## Imām Abū Ja'far al

And there is no contradiction between its being in the Preserved Tablet and between its being sent down from Allaah, as was clarified by Shay khul-Islaam Ibn Taymiyyah. The Gatherer, The Uniter, The Collector The One who reconciles and unites. The danger of advancing or falling behind necessitates that the first circumambulation should commence at the beginning of the Black Stone; because if begun in front of its middle,

one cannot be sure of having advanced or fallen behind some steps; and if one began from its end, then the beginning may not be said to have commenced from the Black Stone.

### **We have eemaan in the Preserved Tablet (Al**

No historian who wrote about battles during the jahiliyya period makes any reference to such a battle. Then, with the Ka'bah on his left, starts moving towards the right to make the seven circumambulations, walking with a moderately fast pace ramal during the first three rounds and with an ordinary pace during the last four rounds.
