## ALTA 2020 Metallurgical Conference & Exhibition

Because of the links with military programs, a culture of secrecy pervaded the old Soviet nuclear power industry. The agreement, to be signed at a ceremony Friday May 31 , states the deal will be worth significantly more to the band if Cameco Corp. This aimed to capture 20% of the world market for Mo-99 by 2012, and 40% subsequently.
