## Doctor Who Adventures/The Cracks in The Universe

As the universe expanded, sotoo didthese strings until they either stretched across the known universe, orintoenormous rings thousands of times larger than our galaxy. Those had put an end to that theory.

### The Cracks in the Universe (ACOTAR/TOG Crossover)

Aelin strode in front of the group, her earlier outburst giving way to a deathly calm that Manon knew meant havoc was impending. A hot poker glows red and at higher temperatures it starts to glow orange-yellow.

It was hard not to notice you. Map showing the spread of dark matter B. The KiDS results find further evidence for that discrepancy.

## Doctor Who Adventures/The Cracks in The Universe

These are linked to Amy because the explosion takes place in Amy's timeline as mentioned in this quote from Flesh and Stone. They studied 355 quasars - incredibly bright galaxies with super-massive black holes at their center - at the furthest corners of the observable universe.

#### doctor who

Crucially, such observations also reveal the Hubble constant in the early Universe and this can be extrapolated to the present time. The cracks seem to be widening. It was the change in the balance of colors in the spectrum that was producing the different colors observed in the light bulb filament and a heated iron poker.

#### doctor who

According to the cold dark matter model, gravity will cause dark matter to clump on a range of scales, including those smaller than a galaxy cluster. There is a way to reveal them, however. We came through a Wyrdgate - a portal -and it closed behind us.

## **Cosmic strings are super**

Joker:We must find the heart of this planet. His technical scope includes free form and more traditional structures, and he is a master of both.

## **Dark matter map hints at cracks in our understanding of the universe**

On the street: Doctor:I don't see anything.
