### In Conversation with VBO Lighting Designer Mario Nanni

But Mario Nanni does even more, he makes it alive.

#### Mario Nanni

Since we only had 20 days to develop the project.

#### With Mario Nanni on the carousel of memory

Mario Nanni, designer and founder of the lighting company , has become a master at it. Nanni also tries, who at ANSA was for a long time, also head of the political-parliamentary editorial staff and then central editor, with the usual light-hearted tone, but which conceals a depth of story that sometimes moves. Viabizzuno also works on fashion, hospitality, and institutional projects, and dabbles in editorial, furnishings, and culinary work, too.

Mario Nanni: I realised that even a difference of three millimetres in the position of the lamp was still important to be able to produce higher quality work and create the perfect composition between the lamp, furniture and architecture. This research on the quality of light is held in high regard by esteemed global fashion brands. The show lasted only about 24 minutes, we tried to tell a story of the value and craftsmanship behind the brand.
