THE NATURAL SUPERIORITY OF MEN

He is scholarly in his approach, misusing science to make a case that actually falls apart pretty badly, but for any student of women's rights, it's a big step in the contemporary evolution of women's history, and so it's better to know what the man has to say, even though it tastes of gall. Some most of the argument seemed to lie in the fact that women are superior because they have the capacity to bring life into this world.

The natural superiority of women : Montagu, Ashley, 1905

Why, for that matter, do human animals form families, hierarchies and nations and persist in killing their own kind? I thoroughly enjoyed reading this book, which is written by a MAN! Ashley was a male and he knew what he was talking about.

Natural Superiority of Women

It should not matter if those means are humiliating or demeaning for men, in fact, it's usually better if they are. No publicity was given to the women for the obvious reasons. Getting laws passed will not be enough; the long hard pull will be to achieve full recognition and acceptance of their abilities in all phases of national and international life.
