Stoph, Willi

Another issue was that quality was sacrificed in order to achieve quantity, and production results generated wildly varied items.

Act on the Five

The former group considered that the NEP provided sufficient state control of the economy and sufficiently rapid development, while the latter argued in favour of more rapid development and greater state control, taking the view, among other things, that profits should be shared among all people, and not just among a privileged few.

Stoph, Willi

Images and audios are effectively used to illustrate meaning and pronounce of each word in both Arabic and English, so that the vocabulary may help speak Arabic in different situation.
