## Why Are Religious People (Generally) Less Intelligent?

Co-authored, translated, and annotated with Menahem Blondheim . This brain boost may as a side effect also decrease discrimination and bigotry in the world which will much improve everyone's lives.

## Imagination and History

Fast forward 100 or so years and put Pasteur and Ampere in the same room as Richard Dawkins and Sam Harris and I believe their intellect and the availability of a choice would land them in the non-religious. Again, M theory is unproven.

## Vol. 49, No. 4, Dec., 1981 of Journal of the American Academy of Religion on JSTOR

Earl had a gentleness with students and colleagues that was balanced by a toughness on issues of justice and integrity that was always available. Guglielmo Negri Bologna: Societa edtrice il Mulino, 1988 , pp.

## Coexistence, Religion and the Political Imagination :: Religion and the Political Imagination

It is not my intent to write feminist literature. Kierkegaard thought the most frightful way to live was to bewitch the whole world through one's discoveries and cleverness--to explain the whole of nature and not understand oneself.

## The Fivesquare Amsterdam of Ian McEwan, Critical Survey

It is a masculine, strong-arm god-concept wives should be virgins and good mothers projected onto female anatomy and which women must embody, or disembody, depending on the work.

## Dreamscapes

In modern times, the literary question arises as to the origins of the Gospel of Matthew and Luke themselves, since these gospels have become the source of multi-national, or global, depictions of the virgin, including Japanese Madonnas with child, places where we are pretty certain Jesus never

visited.
