## Racer

In addition, at the game's start only Anakin Skywalker is available. Also, the title screen is different, and the PC version supports multiplayer over IPX, instead of multiplayer on the same platform. Colors: Campus green, Sky blue, Black.

## RACER

But as he gears up to go home and to face his estranged sister, a massive doping error knocks another teammate off the Tour and Dom is thrown back in the saddle.

## Racer 0.9.0 RC10 for Windows

Note: This Early Access game is not complete and may or may not change further. It was while airing a video of the man edited cropped to not show his face or hands.

## Star Wars: Episode I Racer

Episode I Racer disregards this information because podracers, with maximum acceleration, could achieve speeds of 1046. Handbrakes on 3 speed model only. There are currently 5 cars selectable vehicles with a random driver.
