Further, the reference to the pre-existing Asian Buddhist traditions as pre-existent sectarian categories is probably one of the finest examples of sectarianism to manifest in recent times. This was before Sangharakshita arrived in England.

How Do I Refrain From Using 'Dalit'?

Practically everyone sknows me personally.

They have money, place and machinery including technology. Face it, no real teacher claims to have discovered the essence of all Buddhism. This, combined with the reading of a handful of archaic English language translations of texts from these traditions, acted as the basis for his determining the essence of Zen.

AoC: sometimes it is a book, sometimes a literary movement...

He was appointed to the Bombay Presidency Committee to work with the all-European in 1925. In this dissertation, he argued in favour of a gold standard in modified form, and was opposed to the gold-exchange standard favoured by Keynes in his treatise Indian Currency and Finance 1909 , claiming it was less stable.
