### Pedestrian Safety

And cars will see you more clearly too.

### Staying Safe in Your Neighborhood

No matter what the situation is, you can develop a plan to help keep yourself safe. Run with proper ID, and carry a cell phone with emergency contacts taped to its back. Thru-traffic is people driving from outside of the closure to a location beyond it.

### Staying Safe

The Keep Moving Street will be in place thru Sunday, February 21.

### BBC Inside Out

The light should have a bright LED drivers see blinking red as a hazard.

### Safety on the Streets

Watch for early birds and night owls. In June 2002, SDOT was created by combining transportation planning from the former Strategic Planning Office with the former Seattle Transportation Department to bring a more comprehensive approach to transportation service delivery. Whoever you are, the chances of becoming the next victim of mugging can be reduced by following some simple guidelines.

### How To: Stay Safe on the Streets

It also means you can use the reflection of the shop window to see who is across the road and walking behind you. In heavy traffic, you should always be thinking about where you can go if, say, a car moves into your lane suddenly, or starts to turn into you.

### How to stay safe on the streets this winter

Do you think the dangers have changed? Learn from the examples of other communities working to improve pedestrian safety. What we're seeing and hearing Observations indicate people of all ages are using the Stay Healthy Streets and travelers are following. Safety on the streets The Police should work with the community to make sure people feel safe on the streets.

### **Stay Safe, Stay Active Streets: Response to COVID**

Consider using a temporary phone instead of your usual one. You may find that you are in new or different social situations that are in unfamiliar neighborhoods. If a panhandler becomes aggressive, stay firm.
