## European Film Star Postcards: Anna Pavlova

After moving to the UK in 1936, she opened her West Street Studio in London in 1942. The Turkish State Ballet School officially opened in January 1948. The more powerful the external negative evolutional wrap of space, the more difficult for any individual to achieve harmonious development.

## Legat Caricatures

Supported by her future husband, the British architect Hugh Finch Williams, Volkova next started a ballet school in Hong Kong in 1932.

## Nikolai Legat

Includes photographs of Kyra in ballet costumes. There are separate photography prizes open to adults, young photographers and astrophotography newcomers.

## Legat Caricatures

For all this renown, however, Legat the man remains a shadowy figure.

## European Film Star Postcards: Anna Pavlova

Photograph of Léonide Massine, reproduced in *Comoedia Illustré* May 1914. Photo: J W Debenham © Victoria and Albert Museum, London. Free primary matters flow into areas of the anisotropy in the same way but flow out in a different way.

## 17 Nikolai & Sergei Legat: Ballet in ideas

It is so habitual for everyone including me that this direct insult passes unnoticed. Many references to visual art in Dance show how different personalities react to the tension between older and avant-garde art. Still performed regularly, it is thought of as the first neo-Classical ballet.
