The valleys and gorges here were formed during the Ice Age and remnants of old growth forest provide a natural habitat for many rare mosses, lichens, fungi and animal species including the endangered flying Siberian squirrel.

**Everyman's Rights**

This theory found some expression in a few state cases and best accords with the natural law-natural rights language of Justice Washington in Corfield v. FARRAND, THE RECORDS OF THE FEDERAL CONVENTION OF 1787 173, 187, 443 rev.

**Origin and Purpose**

Fourth, the clause merely forbids any state to discriminate against citizens of other states in favor of its own. Helsinki is situated within its own archipelago and small ferries will take you to nearby islands in a matter of minutes.

**Review: A Constitution for Every Man on JSTOR**

Though the Supreme Court justices ruled in favor of the NAACP based on the sociological rather than historical evidence it provided, Graham's work, published in various law journals over several decades, contributed greatly to the ongoing interpretation of the Fourteenth Amendment. First, the clause is a guaranty to the citizens of the different states of equal treatment by Congress; in other words, it is a species of equal protection clause binding on the National Government.

**Everyman's Rights**

Finns head to the woods in numbers to gather wild, seasonal foods that are free for the picking.
