This discussion is most necessary! The problem here is that, without the existence of an infallible authority to tell the three Protestants which of their respective interpretations is correct i. This was all oral teaching—probably including a lot of oral apostolic tradition, and a great deal of it was not, assuredly from common sense , recorded in Scripture. This discussion will focus on his magnum opus, Preaching Christ in the Old Testament hereafter this article will simply cite page numbers for this book.

Klass Schilder, cited in Greidanus, op. Catechism of the Catholic Church, 891.

**Preaching Christ from Daniel**

His dissertation, Sola Scriptura: Problems and Principles in Preaching Historical Texts, was first published in 1970 and reprinted in 1979. Can we not find better examples than David in non-biblical history? He eventually rejected Tradition as well as the teaching authority of the Catholic Church with the Pope at its head as having legitimate religious authority. The proper approach to preaching historical texts provides a continual challenge to the preacher.

**Luke 4:16**

We must take our position in the center of the story and from there decide about the value of each element. The early church, in the nature of the case, addressed people living in a non-Christian culture.
