## Matthew 24 KJV

He best fits the mould of Charismatic Judaism along with the likes of Elijah, Elishah, Honi The Circle Drawer and Rabbi Ben Dosa, to name but a few examples he would be at home with. The childhood of Jesus Luke 2:39-52 39 And when they had performed all things according to the law of the Lord, they returned into Galilee, to their own city Nazareth.

## Matthew 24 KJV

The 73 books listed here, or the 66 books authorised by The Church of England? I wonder why those who started this site are so interested to prove that something they do not think exists does not exist.

## Matthew, Mark, Luke & John

I can't think of any references to Mary's virginity elsewhere in either gospel, or in any other 1st century reference to Mary. The longer the genealogy, the greater the honor. Some suggest that Thomas was written much later than any of the Gospels, which would suggest that it used the Gospels as sources rather than being a source for any of the Gospels.

## Matthew Luke

I do not doubt the possibility that both Peter and John could have learned to speak and possibly write some Greek over time, however there is a gulf between writing simple Pigeon Greek and the eloquent late second century forgeries that are 1 and 2 Peter. He picks up the story with the Magi after Jesus was born and perhaps as long as a year or two after Jesus was born.
