Peace and Reconciliation Group (PRG) — Peace Insight

The events surrounding 12 th of July this year demonstrate the level of frustration felt by the people of these interface working class areas. And I find myself on a pavement which was sort of herringbone-patterned. Fermanagh Trust To encourage the development of shared education in Fermanagh by incentivizing schools to work more collaboratively and to build an advocacy based on the reconciliation, educational and economic benefits of shared education.

John Hume Helped Bring Peace to Northern Ireland, but After His Death It Remains Deeply Divided

But on September 4, 1985, the IRA attacked an Enniskillen RUC police station with mortars.

Corrymeela Community

Those living in the North benefited economically from British rule and therefore felt no reason to separate from Great Britain. But there are still questions around when reconciliation is possible and how to connect grassroots initiatives with national processes.

Might a Peace Plan be part of the Unfinished Business of Reconciliation?

Concerns around disability are only now beginning to be addressed by rights practitioners, and remain largely invisible to reconciliation advocates. Meanwhile, Northern Ireland—but not the rest of the UK—would continue to follow many of the EU single market regulations, allowing the land border with Ireland to remain open.

Reconciliation theology in Northern Ireland

Previous research of a similar nature by Cochrane and Dunn 2002 found that quantitative methods were inappropriate for this kind of study; therefore a purely qualitative approach has been taken. Their next-door neighbors were Paisleyites, and one day, Clive saw them shouting at the Catholic children passing their house coming home from school.

The Rise (and Fall?) of Reconciliation in Northern Ireland on JSTOR

Know which is best when! To build sustainable trustworthy relationships in the present there must be an absence of violence. We also argue that individual experiences are part of a wider narrative of the conflict.

The Elusive Lure of Peace and Reconciliation in Northern Ireland < Literary Hub

Lederach focuses on working at the middle range, these leaders have connections to both the upper-level and the grassroots. Acknowledging the past can, however, be extremely difficult in a society marred by protracted ethnic conflict.
