It deals not only with British history, but with almost all aspects of European and world history since the classical era. He demands that, if he has broken any known law, he should be charged and brought into an ordinary court to be tried by a jury of his peers. Later years 1659—1712 During the political difficulties of the winter of 1659, there were rumours that Richard was to be recalled as Protector, but these came to nothing.
