American Exceptionalism

Rather, the growing unease with the United States should be seen as a powerful global backlash against the spirit of American nationalism that shapes and animates U. According to Miller, the idea of America as an exceptional entity can be found in the thought of Puritan settlers who regarded the North American continent as a promised land where a new Canaan could be built as a model for the rest of the world. Silence, in its own way, can convey authority as powerfully as words.

What is American Exceptionalism?

On personal issues, such as gay marriage, euthanasia, and cloning, those who take conservative stances do largely credit their religious beliefs.

What, exactly, is 'American exceptionalism'?

After that, the Marshall Plan, which deserves much of the credit for rebuilding war-torn Europe, is often invoked by Americans as the hallmark of our unstinting kindness.

What is American Exceptionalism?
